

## Where's My Refund?

Taxpayers who wish to check on the status of their income tax refunds can use "Where's My Refund?" on [irs.gov](https://www.irs.gov) or on the smartphone application IRS2Go. Initial information is normally available within 24 hours after the IRS receives the taxpayer's e-filed tax return or four weeks after the taxpayer mails a paper return to the IRS. The system updates only once every 24 hours so you do not need to check more often.

To check the status of your refund, have your Social Security number, filing status and the exact refund amount available when accessing Where's My Refund? If you do not have internet access, you can call 800.829.1954, 24 hours a day.
